

# Diamond Seal™

## After Care Instructions/ Maintenance:

1. Once or twice a week, while the enclosure is still hot and steamy, the last person out of the shower wipes down the glass with any soft towel (microfiber towel recommended) to remove body oils, soap, dirt, and stains.
2. Once a week, whenever shower is dry, spray with Diamond Blue Wash, then buff with a clean, dry cloth (microfiber towel).

### *For example:*

The last person out of the shower on Tuesday wipes down with any soft towel while enclosure is still hot and steamy. Then, for example, on Friday or Saturday, while the shower is dry, using a soft towel, spray with Diamond Blue Wash and buff dry. The Diamond Blue Wash refreshes the protective coating and reinstates shine.

**Diamond Blue Wash** is a safe and environmentally friendly **GREEN** water-based cleaner/polisher that dissolves and lifts oily grime and dirt for a quick wash without water. **Diamond Blue Wash** refreshes the protective treatment on Diamond Seal™ treated surfaces. The easy-clean, non-sticking protective properties can be maintained indefinitely with frequent applications. It cleans, polishes, and protects all washable hard surfaces- treated and non-treated.

**Excellent for glass, mirrors, and painted indoor/outdoor surfaces. Great all around cleaner/polisher. (Not for floors)**  
You can use Diamond Blue Wash on your mirrors, windows, countertops, granite, marble, stainless steel, fiberglass, etc.

Use **Diamond Blue Wash** for quick cleaning/polishing and maintenance of Diamond Seal™ treated and non-treated indoor/outdoor surfaces and other washable hard surfaces.
